Annie Congratulations!!!! Mission accomplished !!!

While I plan to read all 151 pages of this report so I know what you have been doing, the good news is that I was able to understand and follow the document. My only concern is that most people in the community will not have time to read 151 pages. As such, do you have an executive summary prepared that will address the salient points? Perhaps a recap in 10 or 15 pages will be read by most people. Food for thought.

So job well done! Hope you can now enjoy part of the summer and lead a more normal life!!!
